

JOURNEY DEEPER
CROSS-CULTURAL LEADERS NETWORKS

Jesus invites us to ...Walk with me and work with me—watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly. Mt 11:29-30 MSG translation

Why Journey Deeper?

Taking the Gospel to people from other cultures is one of the most joy-filled yet challenging callings there is. Yet, we can encounter deep times of discouragement or burnout, seasons of uncertainty and transition, need for greater clarity in calling, or a spiritual hunger for more of God. These are invitations to different kind of journey with Jesus.

Jesus calls us first to come and abide in Him.

A wholistic blend of community learning, small group discussions, one-on-one coaching & personal reflection

What is Journey Deeper?

Journey Deeper is a spiritual formation process designed to help cross-cultural workers focus on their own spiritual lives so that their "doing" in ministry flows from their "being" in Christ.

It provides practical tools for:

- Navigating transitions
- Greater discernment of calling
- Deepening spiritual practices
- Avoiding burnout through finding identity and rest in God

A "safe community" with others dedicated to their own spiritual formation & God's Kingdom work in the world

What Past Participants are saying....

Journey Deeper was a place where I was invited to be open and honest in a safe circle of trusted people. I was weary from serving others, and I'm eternally grateful how God used Journey Deeper to bring rest to my soul. - Natalie

Journey Deeper is by far the most restorative experience I've ever had. The facilitators shared our experiences through their own openness & vulnerability, creating a spirit of honesty, safety and affirmation that was priceless. - Randy

Journey Deeper helped me discover the depths of God's love for me and gave me tools to understand the deeper work God is doing in my life. It tackles the soul work I need to do to be an authentic and healthy leader. - Lisa
